

## Statement for Food Contact

This Statement for Food Contact applies to WeLoc PA range

WeLoc - Weland M. AB hereby confirm that WeLoc PA range, comply to the following data:

- Material : Polyamide.
- Standard colours : White, red, yellow, blue, green, black
- Manufactured in Sweden.
- Made from food contact approved materials.
- Intended for secondary use outside packages.
- Water permeability: Stable
- Recommended temperatures for use: -20 to +140 °C / -4 to +284 °F
- Strength of the clamp: Documented tests are not available. More than 30 years of manufacturing and supplying Weloc closures to high demanding customers worldwide will grant the confidence and strength.

The Weloc PA range is produced from materials which comply with the Commission Regulation (EU) No 10/2011 as well as (EC) No 1935/2004. The materials also comply with US FDA regulation 21 CFR 177.1500 (a)(1), (b)(1) and may be used to produce articles intended for repeated use in processing, handling, and packaging food, for all food types, subject to limitations and requirements therein.

The final Weloc product have not been tested.

Material certificates can be sent upon request for each batch/lot.

The statement is based on data and documentation received from the manufacturer. We can, if desired, submit additional documentation / specifications.
