

Art. No. 48735030 Drain tap w/exhaust. - Type F9128-1 - DIN 55 - red Art. No. 48742000 Drain tap w/exhaust. - Type F9129-1 - DIN 60 - red

## Declaration of Conformity

Food contact material:

- F9128-1, Kps.hane FLUXX K51 m. udluft. 19 mm udløb
- F9129-1, Kps. hane FLUXX K61 m. udluft. 19 mm udløb

ScanDrums A/S confirms that the above-mentioned item is approved for food contact according to the following regulations:

- Regulation of 10/ 2011 and subsequent changes
- Regulation 1935/2004 of 27. October 2004 and subsequent changes
- Regulation 2023/2006 of 22. December 2006 and subsequent changes
- Regulation (DK) 681 of 25/05/2020 and subsequent changes

Restrictions: Packaging made of HDPE does not contain substances for which are established restrictions and/or specifications in accordance with Annex 1 of regulation 10/2011.

Use: Packaging suitable to come into directly food contact incl. 95% ethanol.

Tests has proved that packaging in HDPE meets the requirement of an overall migration of maximal 10 mg/dm<sup>2</sup> according to Regulation 10/2011.

Packaging is fit for use in any long-term storage at room temperature or below, including heating up to a temperature of 70 °C for up to 2 Hours or heating up to 100 °C for up to 15 minutes.

The ration of surface area in contact with food and volume used to establish that the packaging complies with applicable requirements, is:

6 dm<sup>2</sup>/ kg.

Documentation:

Any further documentation (migration test and/or – calculations) will be provided on request of the authorities.

The statement is based on data and documentation received from the manufacturer. We can, if desired, submit additional documentation / specifications.
